The house is a 1-1/2 story, log structure with a three bay, main (east) facade. On the south end is a one story stone chimney base with a free-standing brick stack. The porch extends the line of the roof and at one end, a small room or closet is enclosed. The windows are 6/6 double hung sash. The siding is tongue and groove. On the rear, there is a second range of rooms that has been added, with new rafters resting on the old, giving the house a "salt-box" appearance.

East of the house is a Maguder cemetery.
